## **Start date**

If you upgrade a port or order an additional port under this promotion, the start date for the initial 12 month period begins on the earlier of:

- When your port goes active/live;
- 30 days as from the date the LINX provisioning team provides the demarcation point information to the member, or in the case of connections within the Telehouse campus, the date that LINX has received the cabling hand-over documentation from Telehouse

## **Early cancellation**

If you cancel a port that was ordered or upgraded as part of this promotion prior to the end of the 12 month minimum term, payment for the remainder of the term will become due in full at the payment-due date for the next billing cycle.
